## **FUNDING FOR FARM DIVERSIFICATION**

**Moray LEADER** can offer funding to farm businesses that are seeking to branch out into non-agricultural enterprises to diversify their economic activity and support the farm business further.

So, for example, LEADER Farm Diversification Funding could be used to set up a new tourist-related enterprise or a food and drinks retail business supplied by a farm. It can **not** be used for any activity that is purely agricultural.

Any agricultural business that is located in Moray and registered with the Rural Payments and Inspections Division (RPID) could be eligible for this funding, so if you have an idea for a project, do get in touch by emailing **info@morayleader.org.uk** or calling us on **01343 818570**.
